

## Why?

Why?

see look

breathe calm

feel break

hear her

find this

she's dying

listen look touch

Why?

She tries to

smile laugh nod

I'm fine how are you

but no one sees

and she dies

But Why?

## New

As she dies  
she is reborn  
her decaying flesh falls away  
A new skin, her blood and tears  
begin a new story  
but the pages stick together  
and no one reads  
so they know only the dying girl  
and wonder why she is so sad  
the rotting flesh, blood and tears sicken  
so they look away  
and will never see her,  
Me
